**Release, waiver and agreement regarding use of
Metropolitan water District property**

No. M3807

In consideration of my being allowed to make emergency landings on property of the Metropolitan Water District of Salt Lake & Sandy ("District") and being allowed access to the property to retrieve my equipment, I, on behalf of myself, my heirs and assigns irrevocably release and waive all claims, causes of action and other rights against the District and its contractors arising from any loss, injury, death or harm while participating in hang gliding, paragliding or associated activities, whether or not the loss, injury, death or harm resulted in whole or part from any negligence of the District or its contractors. I further agree that the District and its contractors have no duty to warn me of any hazard or risk on District property, including construction equipment or activities in or near any landing areas or access roads. Information provided by the District regarding landing areas and road conditions reflects general conditions only. It is my responsibility to visually inspect the landing area and to assess actual conditions before launching. I voluntarily assume all risks, known and unknown associated with my use of the District's property, even if caused in whole or in part by the action, inaction, or negligence of the District or its contractors.

I agree to abide by any rules and regulations of the district regarding my use of its property. I further recognize that temporary closures of the property may become necessary due to construction activities and I agree to abide by such closures.

I recognize that the District reserves the right to revoke or suspend permission for my use of its property at any time and for any reason.

I agree that if I make a claim against the district or its contractors in violation of this agreement, I will be liable for costs and attorney fees incurred in defending the claim.

I certify that I am at least 18 years of age and that I am a USHGA rated hang glider or paraglider pilot, or a student pilot under the supervision of a USHGA certified instructor.

I acknowledge that I have read this agreement, fully understand the potential dangers of engaging in hang gliding and/or paragliding, am fully aware of the legal consequences of signing this agreement, and that I understand and agree that this document is legally binding and will preclude me from recovery to monetary damages from the above listed entities and/or individuals, whether specifically named or not, for personal injury, bodily injury, property damage, wrongful death, or any other personal or financial injury sustained by me in connection with hang gliding/paragliding.
